STUDENT'S HAND BOOK 2021-2022

SIGNIFICANCE OF THE EMBLEM

The Karunya Emblem has a human face to indicate that the well being of humanity is central to our mission and that we shall never forget them in the midst of our equations and diagrams.

The symbol has a gear wheel as the human eye, in appreciation of the importance of technology in today's world;

The lighted torch stands for the light of knowledge, the light that promises moral, social and economic wellbeing;

The hand holding the torch depicts Karunya's contribution to the cause, helping hand that spreads knowledge, the kindly light of education.

It has the motto '**ARISE AND SHINE**' - Karunya's message to the youth of the country.

To sum up, Karunya's emblem reflects the University's mission in knowledge creation and dissemination, value addition to men and materials and optimization of human potential for national development in all its ramifications for a bright future.

UNIVERSITY ANTHEM

All praise and glory to our
Merciful King Majesty greatness we youth must sing
Soldiers of God and guardians of truth
So say the Prophets about as youth

One in a million we are His choice
Let us sing praises and let us rejoice
Love which surpasses motherly love
His merciful arms protect from above All praise and glory

Learning inspires humility
Good nature, kindness and modesty
Evil and sins to chase away
Will be our duty for this we pray All praise and glory

Soldiers of God let's rise and fight
To banish gloom and darkness of night
Day and night let our knowledge increase
At the feet of the merciful one without cease.... All praise and glory

About Karunya

Karunya Institute of Technology and Sciences (KITS) was established as an Engineering College on the 4th of October 1986, at Siruvani, Coimbatore District, Tamil Nadu State by Karunya Educational Trust, founded and promoted by (late) **Dr. D.G.S. DHINAKARAN** and **Dr. PAUL DHINAKARAN**, with a divine vision and cherished desire to serve the cause of humanity through Education and Social Service. The Institution was granted Autonomous status by Bharathiar / Anna University, the first ever self-financing Engineering College in the Nation to receive this honour and responsibility on 15th October 1999. The Ministry of Human Resources & Development (MHRD) vide order no.: F.9-3- 2000-U3 dated 23.06.2004 declared KITS as a Deemed to be University (under section 3 of UGC ACT 1956) and subsequently on October 10, 2004 the Honorable Minister of Human Resources & Development, Government of India, inaugurated the University. For the past 33 years, KITS has been involved in grooming youth with a focus on academic excellence, value inculcation and social concern.

In November 2017, a team of Experts from UGC and AICTE has commended KITS for its vibrant academic and research ventures, followed by the MHRD granting extension of the Deemed-to-be- University status for 5 years. Another team of Experts constituted by AICTE visited the campus in March 2018 for granting approval of Engineering and Management Programs. Impressed by the infrastructure and the quality of the Programs offered, the AICTE has approved all the Core and Circuit branches of the Engineering programs, including the Biotechnology, Agriculture Engineering, Food Processing Technology and Management Programs. In May 2016, KITS was accredited by NAAC for a period of five years (2016 to 2021).

Karunya Institute of Technology and Sciences was awarded Three Stars in QS Star Rating which includes Five Stars in Facilities and Inclusiveness and Four Stars in Teaching and Learning.

KARUNYA'S VISION

- True to its name Karunya which means 'Compassion', shall be a University with a social concern which will address the problems of humanity through teaching, research and extension in socially relevant areas.
- The students and faculty of Karunya Institute of Technology and Sciences shall imbibe spiritual discernment and a zeal to serve humanity as leaders of our society.

KARUNYA'S MISSION

To accomplish the vision, Karunya Institute of Technology and Sciences – a Christian Minority Institution will be committed to transform lives through the following objectives:

- To raise undergraduate, postgraduate students and research scholars to serve humanity by attaining high level of academic excellence, professional competence, exemplary values and spiritual empowerment.
- To find solutions to human problems in areas relating to Water, Food, Health Care and Energy through scientific, social and technological research as well as policy formulation.
- To set up Care homes for physically and mentally challenged as well as the elderly and the terminally ill to enable the students to understand human needs and pain, by participating in the services rendered to them on campus and thereby dedicating themselves to work towards solving problems through research & development, policy making at high levels or through providing spiritual care.

The Karunya Institute of Technology and Sciences stands for:

- Academic Excellence
- Personality Development,
- Value Inculcation,
- Character Building.
- Spiritual Nurture.
- Social Concern and Service to Humanity.

MENTORING SYSTEM:

Students numbering around 25 will be attached to a faculty member referred to as **MENTOR** who would provide continuous support and guidance. The Mentors, who play the role of a local guardian will assist their wards in academic matters, co-curricular activities and offer counselling on personal issues. They will meet students periodically and review their performance in Academics, Internal Assessments, End Semester Examinations, Industrial Training and Placements and report the same to the parents. Non-compliance in attending the meetings scheduled by the Mentor shall result in the student being placed on 'Out of Roll'.

VALUE EDUCATION ASSEMBLY:

- Every morning, a Common Assembly program is organized to impart values to students, hone their communication skills and develop their character, personality and leadership traits. The entire community has an opportunity to listen to motivational speakers and meditate briefly.
- Important announcements, if any, are made before / after the assembly program.
- All staff and students are required to attend the Assembly.

**Attendance is mandatory for the Morning Assembly
as it is the first hour in the Time table.**

ATTENDANCE:

- Students must strive to excel in academics all through their period of study and are encouraged to have 100% attendance in assembly, theory and practical classes. **A student requires a minimum of 80% attendance to be eligible to write the examinations.** OD and ML if any, should be within the remaining 20%. Students with less than 80% attendance should repeat the semester as there is no provision for condonation. Students can avail 'On Duty' leave to attend/participate in programmes/activities approved by the Department / Institution. Medical leave will be granted **only** for hospitalization, surgery and communicable diseases that require medical attention, upon producing an authentic medical certificate from a Certified Medical Practitioner. The OD and ML should be filed with proper documentation within one day of returning to the University. The mentor is required to enter the data the next day in the eduserve portal. Permissions granted for OD and Medical leave will be taken into account for consolidating the attendance percentage before every Internal Assessment (IA) and End of the Semester examinations.
- **Students with less than 80% attendance are not entitled to appear for the Internal Assessments and End Semester Examinations.**
